

MURATIE

CANVAS

WELCOME TO MURATIE CANVAS™
Where historic surroundings & modern innovation unite.

Space to Play

At Muratie Canvas we offer you a stylish blank slate to create the event of a lifetime.

Our clear span marquee venue is positioned in an idyllic setting – on a 450-year old wine estate with a rich history, located in the heart of the Stellenbosch Winelands.

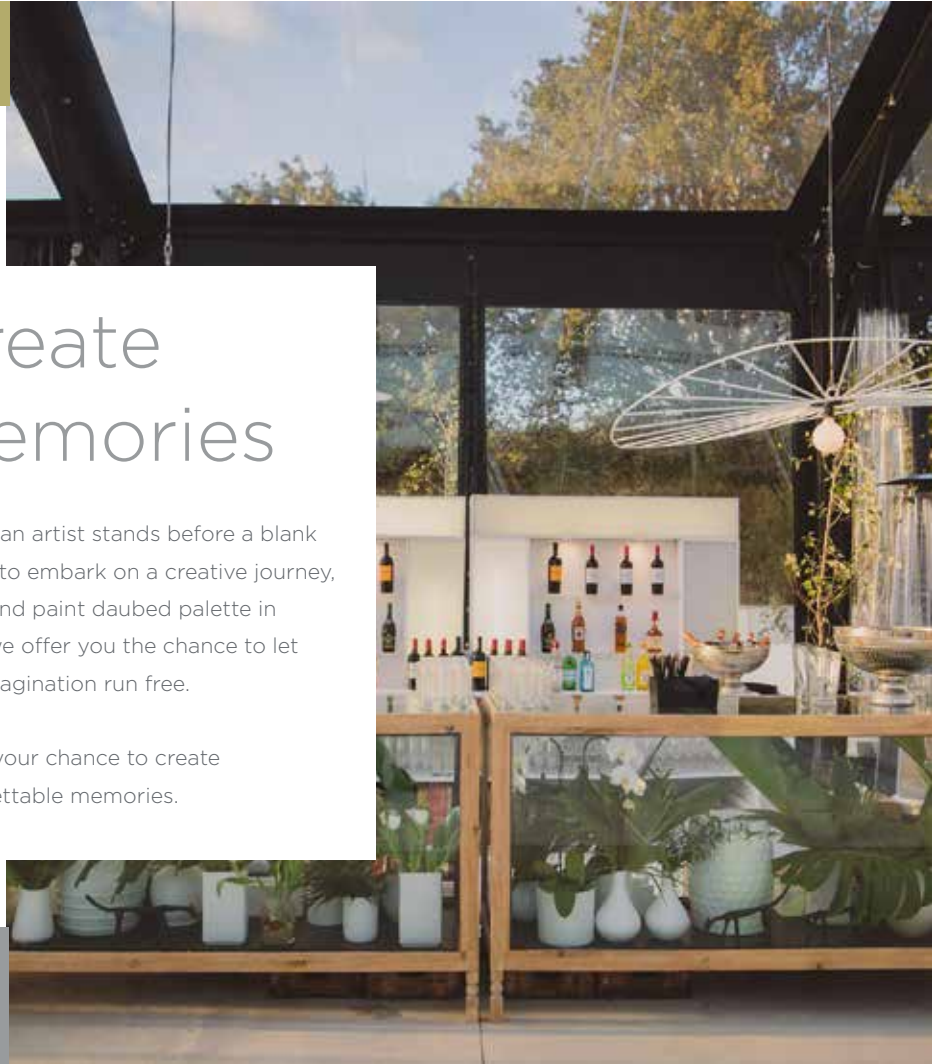

With 360-degree views of vineyards and majestic mountains, we offer you the space to play, to dream and to create something spectacular. The event of a lifetime.

Create Memories

Just as an artist stands before a blank canvas to embark on a creative journey, brush and paint daubed palette in hand, we offer you the chance to let your imagination run free.

This is your chance to create unforgettable memories.

Colouring Life

Our venue is comprised of three unique spaces:

Marquee

Our clear span marquee is a beautiful space of 625 m² with breathtaking views over the Muratie Estate vineyards, Simonsberg, Stellenbosch Valley and Table Mountain.

It has a floated concrete floor, striking black anodised 4-metre side height and reaches 6 metres at the roof apex. The walls and ceilings are completely clear, so that picturesque outdoor surrounds form part of your unique picture.

It has a surrounding verandah and lush lawns for your guests to relax on.

Seating capacity: 350 pax

Your Gallery

Terrace

We invite you make use of the historic 200 m² estate terrace, framed by ancient oaks, as a meeting point or as a pre-drink venue prior to the big reveal of the decorated reception space. Keep the anticipation alive and tantalise your guests with subtle hints of what to expect!
