RETRO ROUGE 2020

"Celebrating our history through vintage wine"

MURATIE WINE ESTATE

Muratie's rich history is captured in every nook and cranny and as it goes on an old farm, we have rediscovered a hideaway of old vintage wines. After extensive sampling by the Muratie team, we have decided to open these gems to the public for purchase.

HERITAGE

At Muratie, the passion for preserving our rich heritage, and the human stories that are woven into the very fabric of our history, is matched only by the passionate way in which we produce our fine wines. Wherever you are on the estate you cannot help being moved by a sense of the many generations that have lived and worked here. The buildings, the artifacts and even the towering oaks are all reminiscent of Muratie's colourful past that stretches across centuries.

FARMING PHILOSOPHY

At Muratie we take great pains to balance traditional wine making practices with the more modern, while we continue producing the same classic wines for which we have become internationally renowned.

RETRO ROUGE ONLINE EXPERIENCE

Muratie is excited to, once again, bring you the Retro Rouge vintage wine experience, albeit with a more online focus this year. We have hand selected these wines, ranging between 6 – 20 years bottle maturation. We recommend you open these wines at your leisure and savour it with close friends and family.
